

How will MDConnect Impact Faculty and Staff?

MDConnect is the initiative to replace Odyssey with Oracle's PeopleSoft to support Campus Solutions, Human Capital Mgmt. (HR), and Financial Supply Chain Mgmt. (Finance). See below for highlights and visit <http://MDConnectinfo.mdc.edu> for more information.

Campus Solutions

Fall 2016 Class Registration processed in MDConnect

6736

Reference numbers (class numbers) will change to 4-digits

Session codes reduced from 200+ to ~15 standardized codes

Faculty Self-Service supports inputting grades, emailing & advising students, and more

Human Capital Mgmt.

View paycheck online; Change or add direct deposit information

View benefits summary online; Upload documents for qualified life events

Update relevant personal information online (phone, emergency contacts, etc.)

Hiring process of Student Assistants handled by HR; Financial Aid determines eligibility

Financial Supply Chain Mgmt.

Travel authorizations and expense requests done online

Reimbursements will be direct deposited to your bank account, including petty cash

All purchases are requisitions; GL code auto-assigned by item category

Approvals done online; approval progress visible to requisitioner
