

## MDConnect Student Self Service Overview (Prezi) Transcript

MDC is excited to introduce MDConnect Self Service! Let's take a look at some of the new/improved features available to you starting fall term 2016.

Academics: You will use MDConnect Self Service to search, enroll/register, and view schedules.

Enrollment Dates: You can view your enrollment details and appointments for each term.

Advisor: You can also view Advisor contact information.

Holds: You will be notified if there is anything preventing you from enrolling or receiving official transcripts.

To Do List: You will receive notification on your To Do list if you have required actions that need to be completed, such as orientation, pending transcript, etc.

Finances: You will have access to your financial information, statements, including Financial Aid.

Schedule: You will be able to view past/current class schedules.

Personal Information: You can view and update personal information such as address, phone, emergency contact, etc.

Educational Links: You will find educational quick links to the Campus Bookstore and Library

Student Activities: You will have Student Activities quick links to Student Life at MDC, Arts and Culture at MDC, and Athletics.

News: You can also access The Reporter – Student Paper and College News from MDConnect Student Self Service.
