MDC is excited to announce a new and improved online self-service student portal called the *Student Center*. Here are some of the changes you will see when you register for Fall 2016 classes:

New and improved Fall 2016 MyMDC Student Center

- On June 21, you will receive notification of your specific date to register
- Your student information at a glance
- Current students use same login and password to access

New payment plans will be available to all credit-seeking students

- Will be available starting June 27 for Fall 2016
- See the [bookmark](#) for important information such as deadlines, down payments, and more

Changes to student IDs

- All students will receive a new 10-digit student ID number
- Only new Fall 2016 students will receive an ID Card with the 10-digit number
- Current students will not need a new ID card
- Use your current ID to access services (e.g., library, parking garage)

All financial obligations must be paid prior to registration.

More information will be provided in the coming weeks.
